

SCHWINN

SC5 7410

Designed for an excellent indoor ride, our whisper quiet Smooth Cycling series allows riders to channel their attention to the experience within the studio. These bikes combine user-focused features, best-in-class biomechanics and plenty of adjustment options to deliver the optimal bike fit for riders of all shapes, sizes and abilities. The SC5 features a durable steel frame.

POLYV BELT DRIVE SYSTEM

The POLYV BELT creates a whisper quiet and smooth ride and has the strength to withstand the inertia of the perimeter weighted flywheel.

INNOVATIVE AND POWERFUL

Schwinn's Echelon2 console, when paired to a 4iiii powermeter crank, utilizes direct power and can be connected to a group display or leaderboard system via ANT+.
